

Manufacturing Solutions From Concept To Commissioning

Distinct Productivity Solutions

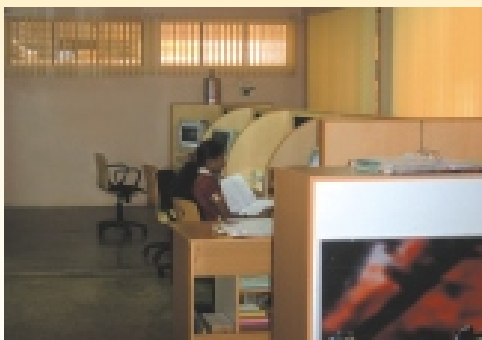

www.distinct.in

Component	Idler Gear Hub	Steering Box	Housing 2.7L
Sector	Auto Components	Auto Ancillary	Auto Components
Operation	Dia 2 Drilling	Drilling of Bolt holes	All Operations
Machine	Special Purpose Machine	Radial Drilling Machine	Vertical Machining Center with PC
Mode of Clamping	Pneumatic	Hydraulic / Pneumatic	Hydraulic

Component	Brake Spider - 3 models	Bottom - 3 models	Z - Axis Slide
Sector	Auto Components	Earth Moving Equipments	Machine Tools
Operation	Full Operations	Full Operations	All Operations
Machine	Vertical Machining Center	Vertical Machining Center	Horizontal Machining Center
Mode of Clamping	Hydraulic , 2 Components loading, progressive fixture	Manual	Manual

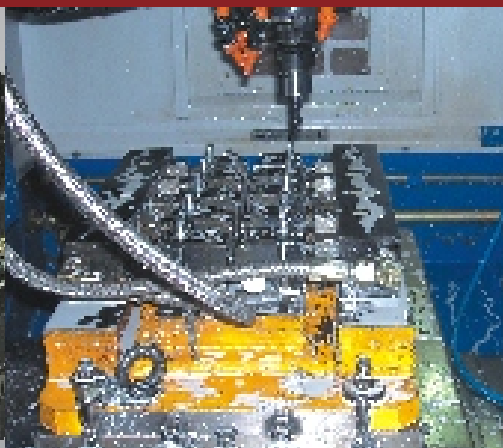

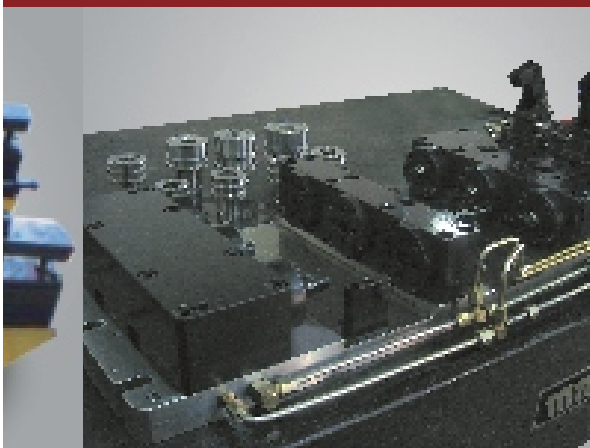

Office equipped with :

- Design center
- Design Library with Standard modules for faster design cycle
- Ex-Stock availability of Seco & KTA Tools
- Qualified Sales and Application Team

Brake Spider	Pedestal	Head Stock Housing
Auto Components	Textile Machinery	Machine Tools
ID , Facing & Back Facing	Face Milling	Milling & Boring
CNC Turning Center	Vertical Machining Center	Horizontal Machining Center
Hydraulic	Manual	Manual , 4 Component Loading

Piston - 13 Models	Brake Cam	X-Axis Slide
Earth Moving Equipments	Two Wheeler	Machine Tools
All Operations	Profile Milling	All Operations
Vertical Machining Center	Vertical Machining Center	Horizontal Machining Center
Hydraulic	Hydraulic - 10 Components loading	Manual, 4 Components Loading Tomb Stone Type

Manufacturing, Assembly and Testing Facilities:

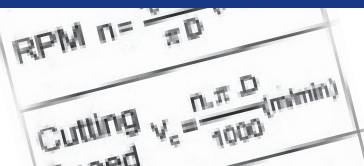

- CNC Vertical Machining Center BFW "Agni" BMV45T20
- Surface Table 1500mm x 1000mm
- Material Handling Facilities
- Inspection Facilities
- Inspection Facilities
- Assembly Facilities
- Hydraulic Power Pack for Hydraulic Testing.

PRODUCTS / SERVICES OFFERED

CONSULTING SERVICES

- Cycle Time Estimations.
- Pre-Sales Consultancy.
- CNC Programming and Proving of components on the machine.

DESIGN & DEVELOPMENT OF FIXTURES

Design and development of Manual / Hydraulic / Pneumatic Fixtures for CNC Machining Centers, CNC Turning Centers, Special Purpose Machines, Conventional Machines.

SECO

Distributors for Sweden based Cutting Tool manufacturers of wide range of cutting tools in Turning, Milling, Drilling, Boring & High precision Tool Holders.

KTA

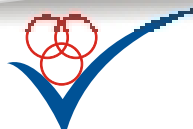

Distributors for a wide range of CNC tool Holders, Floating Tapping Chucks, Rigid Tapping Chucks, Tap Adaptors, Quick Change Drilling & Tapping Chucks.

SPECIAL TOOLS

- Design & Development of
- Combination Boring Bars
 - Combination Drills
 - Special Milling Cutters

With the combination of above services we handle Turn-Key projects providing complete manufacturing solutions.
